June 20, 2012

Dear Class of 2013 and their Parents:

Seniors will have two options for senior portraits: They can either submit a portrait, or they can use the portrait they have taken during registration.

If a student prefers to submit a photo, we suggest scheduling appointments during the summer (June through August) to ensure that we receive their photo by Friday, October 12, 2012. IF A STUDENT CHOOSES TO SUBMIT A PHOTO AND FAILS TO MEET THIS OCTOBER 12, 2012, DEADLINE, HE OR SHE WILL NOT BE PICTURED IN THE YEARBOOK!

Photo consistency is essential to the professional appearance of the senior pages. Please take this letter to your photographer to ensure that your photo meets our specifications. Photos must meet all of the following:

- **Photo size:** 2.5 horizontal x 3.5 vertical.
- **Photo composition:** HEAD AND SHOULDERS ONLY—NO VISIBLE HANDS. Please sit fairly straight—no dramatic angles.
- **Background**: Medium-gray backgrounds only. Dark gray backgrounds, white backgrounds, colored backgrounds, and any effects, scenery, props, hats, or backlit hair will NOT be accepted.
- **Head size**: 1.5 inches.
- **Mode**: CMYK.
- **Resolution**: Minimum 300 dpi (anything smaller may result in a poor-quality printed image).
- **File format**: JPEG.
- **Submission**: Submit photos on a CD, saved as student's LASTNAME, FIRSTNAME.jpg. We prefer that photographers submit all Hudson High School senior portraits together on one CD by **Friday, October 12, 2012**. Students are responsible for ensuring that their photos are submitted to the school.
- **Please mail or email photo(s)** to the appropriate address listed above.
- **Students will not be pictured if they have indicated that they would submit a photo and fail to do so.**

All seniors are required to take a separate photo, to be used for student identification cards, during registration in August. Seniors may choose to use this portrait as their senior portrait for the yearbook.

ALL YEARBOOK PHOTOS MUST MEET THESE MANDATORY SPECIFICATIONS. Your cooperation and understanding are greatly appreciated.

Sincerely,

Debbie Lee and Stephen Kennedy
